A Message from the President

Dear Supporters and Friends,

I am deeply honored to address you as the President of Chance Foundation for the year 2024-25. As someone who has been actively involved in our organization's mission, I am humbled by the opportunity to serve in this capacity.

Our mission remains steadfast: to create meaningful and sustainable change in the lives of those who need it most. With your unwavering support, we have made significant strides over the years. However, there is still much work to be done, and I am excited about the possibilities that lie ahead.

In the coming year, I envision expanding the reach and impact of Chance Foundation through innovative programs and strategic partnerships. We will continue to prioritize education as a fundamental tool for empowerment, ensuring that every child has the opportunity to fulfill their potential.

But we cannot do this alone. Community involvement is vital to the success of our endeavors. Whether through volunteering, fundraising, or spreading awareness, each contribution makes a meaningful difference in the lives of the children we serve. I encourage you to join us in our mission and become champions for change in your own communities.

If you are interested in getting involved or have ideas for collaboration, please don't hesitate to reach out. You can connect with us through our website, social media channels, or by contacting our dedicated team members directly. Your support and feedback are invaluable as we work together to create a better world for all children.

Thank you for your continued dedication to the mission of Chance Foundation. Together, we can make a lasting impact and transform lives for generations to come.

Warm regards,

Sameer Shirole, President, Chance Foundation

Thanks to our 2022/23 Chance Board

I am writing to express my deepest gratitude to the exceptional team of the Chance Foundation's board of directors for their outstanding dedication and hard work throughout the years 2022 and 2023.

Together, we have achieved remarkable milestones, particularly in our mission to serve underprivileged children in India. Through our collective efforts, we successfully reached our goal of serving 1400 children, thereby making a profound impact on their lives and futures. Your unwavering commitment and passion have not only enabled us to raise vital funds over the past two years but also to strategically invest in initiatives aimed at enhancing the welfare and educational opportunities of the students we support.

Furthermore, our collaboration with Hennepin Tech to initiate local projects underscores our commitment to fostering positive change within our local community. We are eager to continue expanding our local impact in the years to come.

As we reflect on our achievements, I am filled with immense pride and optimism for the journey ahead. With our solid foundation and unwavering dedication, we are well-positioned to elevate the performance of the Chance Foundation to new heights and expand our positive impact on the lives of those we serve.

Once again, I extend my heartfelt gratitude to each member of the board for their tireless efforts, unwavering support, and steadfast commitment to our shared mission. Together, we are truly making a tangible difference in the world.

***Warm regards,
Shambhu Nath***
