A Message of Gratitude from the Outgoing President (2024–25)

As I conclude my term as President of Chance Foundation for 2024–25, I would like to express my heartfelt gratitude to our incredible Board of Directors, Trustees and Executive Team for their dedication, leadership, and unwavering support. It has truly been a privilege to work alongside such a passionate and committed group of individuals.

Together this year, we achieved meaningful milestones in advancing our mission to serve underprivileged children in India. With your collective efforts, we impacted over 2,200 children, expanded enrollment at existing study centers, and added new learning centers—extending safe, nurturing spaces for education, nutrition, and development. These accomplishments are a testament to your vision, generosity, and hard work.

As we reflect on the progress made, I am filled with pride and confidence in the foundation we have built together. Chance Foundation is well-positioned to continue growing its impact under new leadership, and I look forward to supporting the organization as it enters its next chapter.

Thank you once again to every board member, volunteer, donor, and supporter for being part of this journey. Together, we are truly making a lasting difference in the lives of the children we serve.

*Warm regards,
Sameer Shirole
President, Chance Foundation 2024-25*

Message from incoming President, Ramesh Muinswamy

Dear Friends of Chance,

It is with deep gratitude and humility that I step into the role of President of Chance. I am honored to serve an organization that stands for hope, opportunity, and compassion - especially for underprivileged children in India who deserve every chance to learn, grow, and dream.

At Chance, our mission has always been clear: to uplift children by supporting access to education, healthcare, and a nurturing environment where they can build a brighter future. Every life we touch represents not just a number, but a story of resilience and possibility made stronger through collective care.

As we look ahead, my commitment is to strengthen our impact, deepen transparency, and build meaningful partnerships that allow us to reach more children in need. None of this would be possible without the unwavering support of our donors, volunteers, partners, and well-wishers. Your belief in our mission is the foundation of everything we do.

I would like to take this opportunity to thank Sameer Shirole, our immediate past president for his outstanding leadership, dedication, and commitment during his term as the President of the Chance Board. His guidance, vision, and steady support have made a meaningful impact on our mission and the communities we serve.

I am also deeply grateful to the entire team of 2025-2026 for their time, energy, and selfless service over the past two years. They have strengthened the foundation of Chance and helped move our mission forward.

Together, we can continue to turn compassion into action and ensure that every child, regardless of circumstance, has a fair chance of a better tomorrow. Thank you for being part of the Chance family. I look forward to this journey ahead and to creating lasting change - together.

*With gratitude and hope,
Ramesh Muniswamy
